

Acuña Coahuila, to May 30th 2006

MUNICIPAL INCENTIVES

The Municipal Presidency through the Direction of Economic Promotion is proud to present the possibilities to you of incentives that can obtain when investing in our border.

- *70% of discount in the payment of the predial during the first two years*
- *60% of discount in the construction permission*
- *Free payment of the permission of use of the ground*
- *Work force described for its operations*
- *Discounts of until 50% at the time of making the contract as well as the right of interconnection of the potable water rights and drainage.*
- *Relation of State incentives.*

In addition in our city it will find an excellent labour climate and a great support for his investment, since we will participate in the search of credit supports for the benefit of its investment.
